Cases against Rohtak telephones

1528. SHRI JERLIE E. TARIANG: Will the Minister of COMMUNICATIONS be pleased to state:

(a) what is the number of cases filed against Rohtak Telephones by the subscribers during the last one year;

(b) whether the Department had tried to settle the disputes pending in courts; and

(c) what difficulties are being faced by the Telephone Department in compromising the disputes pending in the courts inspite of the intervention of Members of Parliament?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS (SHRI GIRIDHAR GOMANGO): (a) Three court cases were filed by the telephoene subsribers of Rohtak against the Department.

(b) Yes, Sir. Efforts are always made by the Department to settle the dispute with the telephone subscribers within the framework of the Departmental Rules.

(c) These Court cases arise because subscribers do not comply with regulations of the Government. The question of compromise does not arise.
